Professional Summary

Results-driven Software Engineer with 2.6 years of experience in full-stack development. Skilled in Angular, .NET, WPF, Azure, Power BI, and CI/CD Github Workflows. Proficient at building scalable tools and integrating real-time systems with high-quality standards. Passionate about automation, agile practices, and continuous improvement.

Professional Experience

- Dec 2022 – Present **Associate Product Software Engineer, Wolters Kluwer, Pune, India**
- Spearheaded the development of a data migration platform using .NET 8 and Angular 17.
 - Engineered WPF-based Data Extractor for extracting and transforming large datasets.
 - Built and deployed .NET Core APIs enabling secure, reliable, and scalable data migration.
 - Created dynamic Angular UI components ensuring responsive and user-friendly design.
 - Designed enterprise-grade dashboards in Power BI to deliver actionable insights.
 - Integrated GitHub Actions for CI/CD pipelines to streamline builds and deployments.
 - Utilized Docker and Docker Compose for containerization, ensuring smooth multi-environment deployment.
 - Employed Azure services (App Services, SQL, Blob Storage) for cloud-hosted delivery.
 - Used SignalR for real-time communication and synchronization between applications.
 - Boosted development productivity and reduced manual errors using GitHub Copilot and ChatGPT.
 - Collaborated in Agile teams, participated in sprint planning, and contributed to code reviews.
 - Ensured high code quality through unit testing, integration testing, and best practices.

Projects

- Tutor Adda (Oct 2022 – Nov 2022) Built an e-learning platform enabling instructors to launch, manage, and review courses.
Tech Stack: React, JavaScript, HTML, CSS, Bootstrap, Java, Spring Boot, MySQL

Technical Skills

- Languages C#, JavaScript, TypeScript, HTML, CSS, SQL, Java
Frameworks .NET Core, Angular, WPF, Entity Framework, React, Spring Boot
Tools GitHub, GitHub Actions, Docker, Azure DevOps, Copilot, SignalR
Cloud/CI Azure, CI/CD, Docker Compose
Database SQL Server, MySQL

Education

- PG Diploma Advanced Computing, CDAC Pune (2022), 68.75%
B.E. Oriental Institute of Science and Technology, Bhopal (2019), 7.21 CGPA
Mechanical

Languages

- Hindi Native
English Professional Proficiency
